## Our Vision

Community and School in a partnership of mutual trust and respect, to ensure all students will thrive as learners, leaders and responsible, productive citizens.

## PBL Values

Respect  
Responsibility  
Personal Best

## PBL Focus -Playground

- I play where the teacher can see me
- I put my rubbish in the bin
- I sit on the seats until I have finished my food
- I return sports equipment I have borrowed
- I play safely on the fixed equipment

# Stage 3 Camp - Berry, NSW

Last week Stage 3 went on an adventurous camp to Berry. We enjoyed a variety of different activities and we pushed ourselves past the limits. We participated in many activities including rock climbing, canoeing, giant swing, cable glide, archery, 6km mountain hike & cook out where we made delicious damper. All of Stage 3 had an awesome time with each other. Everybody learnt new skills and abilities to use in their future lives.

By: Stephanie & Jamie 5/6O

On camp there were lots of enjoyable and engaging activities to make time fly. Over the five days we all partook in a number of fun activities including the cable glide, giant swing, canoeing, mountain hike, cookout and rock climbing. You get breakfast, lunch, dinner and supper after the great night show that occurs every night. You get free time after every activity. They have tyres, a basketball court, a tennis court and a green field to run around on with your friends.

The bus ride takes two and a half to three hours from Llandilo to Berry. There are cabins of 4 and 2 lots of 6 cabins in which there are 2 or 3 bunk beds in each. You get an opportunity to take a shower in the night or in the morning. Camp was a great experience and I hope you visit and have as much fun as us.

By Jordan I. - 5/6D

Last week the whole of Stage 3 went on a five day camp to Berry Sport and Recreation Centre. The bus trip was about two and a half to three hours long. There were two buses carrying at least 40 students each.

The first day was very fun because as soon as we got there it was straight into the first activity. We were able to do rock climbing, archery, canoeing, bush walking, giant swing, and a cook out which we couldn't do unfortunately because of the weather.

The second night we had a night show. We had to do a series of challenges that you had to complete as part of a team. The third night show was the twisted Olympics and the last night show was a disco where you freely danced all night.

By Luke P. - 5/6D

# *From the Principal.....*

We have come to the end of another busy term! I am looking forward to working with the students, community and staff in the role of Relieving Principal over the next few weeks. Mrs Getley will return as Principal in Term 4, Week 6.

## Stage 3 Camp

It is good to hear that the students enjoyed their time at camp in Berry. I sincerely thank the staff who spent a week away from their families to provide our students with unique and exciting opportunities. As you may be aware, Mr Mackney was taken to hospital due to a medical condition during camp. Mr Mackney is currently still recovering in hospital and will return to the school later in Term 4. I wish him well in his recovery.

## Professional Learning

Did you know that teachers are required to undertake a variety of professional learning to maintain their accreditation? Some of the current professional learning recently undertaken by staff at Llandilo Public School include "L3" (Language, Learning and Literacy), Building Numeracy Leadership, Spirals of Inquiry and "Minecraft: Education Edition Introduction." These courses provide a wonderful opportunity for staff to learn and enrich the education of students at the school. Our Professional Learning sessions are also held on a Tuesday afternoon each week. This is a chance for staff to learn from each other, share knowledge gained through professional learning and collaborate. Please note that staff are not able to hold impromptu meetings on a Tuesday as their attendance is required at professional learning.

## Classing 2019

Early next term we will begin carefully looking at classes for 2019. The process takes a great deal of time and deliberation. If you have particular considerations for the classroom environment your child may benefit from, please advise me in writing by the end of Week 1, Term 4. Please note that this is not an opportunity to request a particular teacher. Letters will be considered however I would like to emphasise that the school will make the final decision on class placements, taking into account the needs of all students and the classing structures. If you are aware that your child/ren will not be returning to Llandilo Public School in 2019, would you kindly let the office know as soon as possible.

Wishing you all a safe and harmonious break. I look forward to working with you next term.

Yours in Education,

*Nicole Waugh*

Relieving Principal

# Featherdale Animal Park

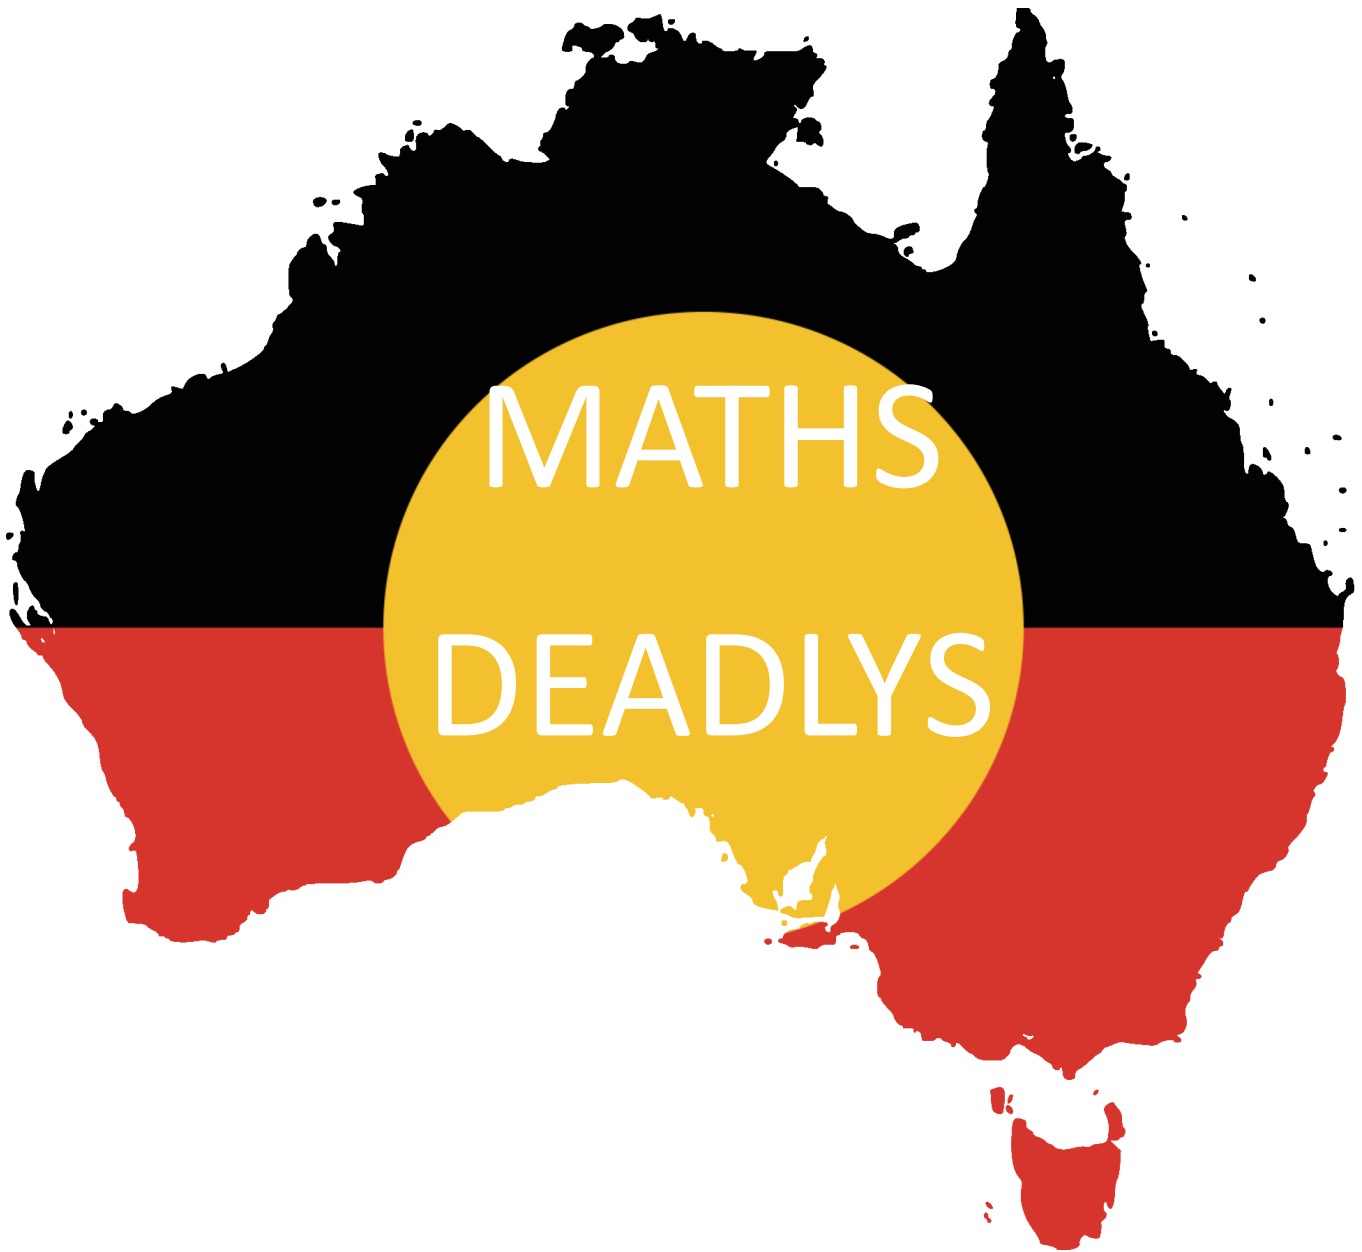

Kindy went to Featherdale Animal Park on Wednesday 12th September. Everyone had a wonderful day. They got to see lots of different animals and learnt about what animals need to survive.

# Great Aussie Book Swap

On Wednesday 26th September, Llandilo Public School held a Book Swap. Students brought in an unwanted book from home and for a gold coin donation they could swap it for another book. All funds raised go towards buying new books for remote indigenous communities .

On Tuesday some selected students went to Cranebrook High School for Maths Deadlys. The students were split into three groups with 4 people in each group and did a variety of challenges. The activities we did were navigator, number problems, free choice money game & the buzzer game. We had a great time working together and thank you to Miss Cockburn, Mrs Carroll and Mrs Williams for an amazing day.

By Talia & Jonathan

Math Deadlys is a really fun math competition that I really enjoyed! My group and I had lots of fun helping each other out and solving what needed to be done. We did activities such as answering questions using a buzzer, navigation and more. My group and I tried our hardest and personal best! After the activities we did a times table competition and the Llandilo representatives were really proud of Toby who won. At the end of the day my group came ninth and our school came fourth but I was still really proud.

By Aleaha 5/6D

Math Deadlys was fun and very competitive. It was fun versing the other schools. It made me happy. My favourite activity was the navigation game. My group had so much fun, even though we lost it didn't matter because we enjoyed ourselves so much.

By Jasmine 5/6D

# DISTRICT ATHLETICS CARNIVAL

On the 29<sup>th</sup> and 30<sup>th</sup> of August a group of young athletes went to Werrington Athletics Centre for their district athletics carnival. There were many field and track events that we participated in over two days. The children that participated tried their best to get to the next level. The events that we participated in were 100 metres, 200 metres, 800 metres, 400 metres relay, shot put, discus, high jump & long jump. The children tried their best and all had a great day. Thank you to Ms Cockburn & Ms O'Connor for a great day.

By Stephanie & Jonathan

## Cooking with Mrs Sheens

When I do cooking with Mrs Sheens I help Mrs Sheens with cutting and doing lots of cooking. Thank you Mrs Sheens for letting me cook.

Thomas R - 1P

When we cooked I made tacos. It was fun. I had meat, lettuce and cheese.

Matthew K - 1P

I liked cooking the meat for tacos because I was the responsible one to cook at the stove.

Daniel T - 2R

When we made tacos I liked the flavour and the meat. I enjoyed cutting the most.  
Rhys - 3/4G

I liked helping the little kids. My favourite thing to cook was banana and choc chip  
muffins.  
Charlotte - 3/4M

## ROAD SAFETY ON SEVENTH AVENUE REMINDER TO DRIVE WITH CARE FOR CHILDREN

Parents/ carers have expressed concern about safety for families on Seventh Avenue at school afternoon bell time. Please see the attached plan to show changes to parking zones near the school, with extra parking spaces now available. Inspections by Council have shown that:

- ✓ People are holding their child's hand to cross the road.
- ✓ Families are arriving at the school at different times from when the bell rings to 15 minutes later. This is great – it prevents a long queue and saves everyone frustration – well done!

Road Rules, with penalties for a school zone:

Fine: \$337 and 2 demerit points

- ✗ Some drivers blocked the Produce Store parking. Please support our Llandilo shops by leaving their parking free for customers.

- ✗ Four drivers parked in the 'No Stopping' zone near the Children's Crossing. The 'No Stopping' zone is in place so drivers and pedestrians can see each other and so vehicles can proceed along the road. Parking here and obstructing traffic is illegal and dangerous.

Fine: \$448 and 4 demerit points

- ✗ Several drivers did three-point turns in driveways near the school. Some did not give way to pedestrians:

- Conducting a U-turn or three point turn and failing to give way to a pedestrian on a footpath is illegal.
- Doing a U-turn without view of approaching traffic or while obstructing traffic is illegal.
- Please find a safe place away from school to do a U-turn.

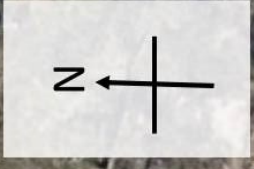

Fine: \$337 and 2 demerit points

School bell time can get busy –plan your trip to avoid the crowds. If the parking spaces near the school are full, park and wait to move closer once other families leave. Let your child know that you will arrive a few minutes after the bell once the rush settles.

*Thank you for driving with care near our school for your child and their friends.*
