Week 1

- 10 October Students resume
SRC Legends Café
Swim Scheme
commences

Our Vision

Community and School in a partnership of mutual trust and respect, to ensure all students will thrive as learners, leaders and responsible, productive citizens.

From the Principal

Another action packed few weeks of learning at Llandilo Public School with many reasons to celebrate. Thank you to our families who were able to join us for the Open Day activities. It was just so wonderful to see parents and grandparents participating in class activities and enjoying a picnic lunch on the lawn.

I was so very honoured last week to be able to attend the Blue Mountains and Nepean Dance Festival to watch our amazing 3-6 Dance group perform their dance titled "Eye of the Tiger". Thank you to Mrs Robinson and Miss Veitch for coordinating the dance group, your passion and desire to achieve your personal best was embraced and modelled by every dancer.

How exciting, it's Mini-Fete time! We cannot wait to welcome our families back on site this Friday for the 2022 Year 6 Mini-Fete. We thank you for your donations and support for this fundraising event.

Walk with courage, Walk with strength

Next meeting: Monday 17 October

6-7 pm in the staffroom.

Aboriginal Experience Incursion

K-2 had a wonderful day learning about Aboriginal culture and traditions. Students started the day by experiencing ochre painting which protects us from bad spirits. There are different symbols used for males and females. They then had a lot of fun learning about different tools and artefacts as well as engaging in boomerang throwing and Aboriginal dances that are used to teach children skills such as fishing.

Chicken Hatching Program

It has been an exciting two weeks watching the chicks hatch and grow. We have learnt so much, including the lifecycle of a chicken, their habitat, what they eat and how to look after them.

The incubator and brooding box keep us warm so we can hatch and until we grow our adult feathers.

Please don't feed us...
Potato skins
Onion
Citrus fruits
Tomato
Avocado

Library

Stage One have been learning about how communication methods have changed and the impact of technology. They found out that you can get a response quickly through emails and text messages. Now it is time to see how long it takes for a letter to reach home.

Dog Safety Program

K-2 had a visit from Joker the bull terrier. He helped teach us how to respond when approached by an unfamiliar dog as well as what to do if we would like to pat a dog.

If you would like to pat me follow these important steps...

1. Walk up slowly and stop 3 big steps away.
2. Ask my owner for permission.
3. Let me smell your hand.
4. Stroke me gently on the back.

Kitchen Garden

Students in K-2 have had the opportunity to learn about sustainability through our kitchen garden program. They have explored our school gardens through hands-on experiences including planting, weeding, mulching, watering and harvesting. It has been exciting to watch the fruits and vegetables grow and then harvesting them to use in our cooking. Students have also learnt about safety in the kitchen through practical cooking sessions and have enjoyed making dishes such as salad wraps and mini pizzas.

Congratulations

Download on the App Store | Download for Android

[Alert Levels](#)

During a bush fire, Alert Levels are used to give you an indication of the level of threat from a fire.

Remember – don't wait for a warning. Some fires start and spread so quickly there may not be any time for a warning. If you get a Bush Fire Alert, you must take it seriously. Failure to take action can result in death or injury to you or your family members.

There are three levels of Bush Fire Alerts:

Advice

A fire has started. There is no immediate danger. Stay up to date in case the situation changes.

Watch And Act

There is a heightened level of threat. Conditions are changing and you need to start taking action now to protect you and your family.

Emergency Warning

An Emergency Warning is the highest level of Bush Fire Alert. You may be in danger and need to take action immediately. Any delay now puts your life at risk.

For some fires, you may hear a warning message over your radio or television, such as a siren, or you may receive an [Emergency Alert text message or phone call](#). Other fires may start so quickly that there will be no time for any warning at all.
